There's something about the old Bangalore pub feel. When pubs used to feel like home, where friendships that lasted a lifetime were formed, over good food, cold beer and countless conversations. It's almost a time that's hard to recreate - unless it's the real thing, of course.

Dolphins opened its doors in 1977 as a little neighborhood bar & restaurant in Cox Town with a homely, Mangalorean touch. Over the years, Dolphins has become a familiar haunt across generations, synonymous for its comfort food and comfortable vibe. The founders took great pride in serving up the best of Mangalorean cuisine and more in an ambience that grew on its patrons.

Nearly fifty years later, the menu still pays tribute to old Bangalore favourites ranging from old-school specials & traditional coastal delicacies, while adding on a larger spread that also caters to a Bangalore that has welcomed the world to explore its vibe, including meat straight off the grill, legendary street food-inspired snacks, sizzling seafood spreads and the best of vegetarian cuisine as well.

Today, it's a blend of the old and the new, the traditional and the modern, and yet remains as cozy and classy as ever.

Welcome to Dolphins, your Old Bangalore Bar.
